

Partnership II & III Building Primary & Overflow Parking Lots

All visitors to the Partnership buildings may park in any open spot in the Primary Parking indicated below in green. In the event there are no open spots available, UCF visitors may park in the Overflow Parking area indicated below in blue. DoD visitors should park in the purple DoD parking area. Large DoD events should always use the parking located at the corner of Technology Parkway and Science Drive.

PLEASE NOTE: Parking along yellow curbs or in unmarked spots (aisles, fire zones, at corners, on grass, etc.) is prohibited and may be subject to towing. Parking across the street at AT&T is also prohibited, closely monitored, and subject to towing.
